

# What Can I Offer My God

What do I bring to the Altar  
What do I say to my God  
To repay all the love overflowing over my soul  
For the blessings of freedom  
And for the air for my living  
But most of all for the cross I am free  
I bring my offering  
It's the only thing I have  
My praises to the Great I am

What can I offer my God  
In return for Your Love for me  
Nothing have I to bring  
But sacrifices of praise  
I thank you for all your love and your mercy  
I thank you for being who You are  
When everything is said and done  
I cannot thank you enough

Cava tale meu qai kaya Turaga  
Meu dolea na loloma oqo  
Na cava tale meu qai tukuna rawa vei Kemuni  
Na galala ni solia
